In submitting herewith the correspondence ending with Davanagere Municipal President's letter No. I C 286/42-43 dated the 27th April 1943, re the grant of a site for the construction of a Scout Hall at Davanagere, I have the honour to state that the President of the Local Scout Association, Davanagere requested the Municipal Council for the grant of a free site for the construction of a Scout Hall at Davanagere The matter was placed before the Municipal Council at its meeting convened on 21-4-1943 when it was resolved that the bit of land lying behind the Silver Jubilee Reading Room and Library measuring East to West 150' and 88' from North to South be granted free of cost to the Local Scout Association for the construction of a Hall, subject to the condition that, if at any time the land now proposed to be granted is used for any other purpose, the Municipal Council shall have a right to resume the site with the constructions, if any, thereon, without payment of compensation

I have inspected the site proposed to be granted with the Government Architect on 14-7-1943 and it is suitable I enclose herein a copy of the resolution of the Municipal Council and request that Government may be pleased to accord sanction to the recommendation of the Municipal Council for the free grant of the site for the Local Scout Association There is no need to impose any penalty as desired by the Municipal Council, in case the land is used for any other purpose, since the Scout

Scout Hall will be constructed and if later on the Association ceases to function (it is very unlikely) the building will be used for some other public purpose

The type design of the building proposed to be constructed is also enclosed for favour of perusal and kind return
